

## **Management Conclave 2019**

### **Doctoral Thesis Consortium**

#### **Call for Papers:**

There will be two tracks in the Doctoral Thesis Consortium.

#### **Track 1. Proposal Presentation (Part of Research):**

The scholars who are beginners in research are invited to present their research proposal wherein there has to be an introduction, literature survey, research gaps, objectives, hypothesis and proposed methodology. The presentation should also include the expected contribution to their respective fields, society and policy implications.

#### **Track 2. Advance Research Paper Presentation:**

This track is for those scholars who are presently at the final stages of the thesis. Researchers are invited to submit the paper which may be from their own research area or any area of their own interest. The structure of the paper should include introduction, literature survey, research gaps, objectives, hypothesis, methodology and conclusion.

#### **Objectives of the Conference:**

- To provide a platform to young researchers for sharing ideas on an international level.
- To provide a platform to meet domain experts and discuss inter disciplinary management ideas and methodologies.
- To Contribute to the conference goals through interaction with other scholars and conference events
- To support a new generation of researchers for sharing their research proposal and advice on new and innovative research areas.

#### **Main Disciplines:**

Commerce, Economics, Management
