# LOVELY PROFESSIONAL UNIVERSITY

Lovely Professional University (LPU) is a multi-faculty research-oriented institution with hi-tech campus offering more than 200 professional programmes. LPU campus is a complete world in itself having students from 28 states of India and more than 50 countries of the world.

LPU is a world class institution with internationally benchmarked curricula, innovative pedagogy focused on experiential learning, cutting edge research, 300+ foreign tie-ups, well qualified faculty with industry exposure, outstanding sports & cultural facilities, excellent residential facilities, In-campus shopping mall, hospital, banks, postal services etc.

The University is ranked high on various parameters by Government Bodies and other credible organisations. LPU receives Highest Grade A++ with 3.68 score on 4 Point Scale by NAAC (National Assessment & Accreditation Council), an Autonomous Institution of the University Grants Commission (UGC), Ministry of Education, Govt. of India. The Times Higher Education World University Rankings 2024 has ranked LPU 25<sup>th</sup> amongst Top Universities of India (Both Govt. & Private). The University has also been ranked 27<sup>th</sup> in NIRF Rankings 2024 by Ministry of Education, Govt. of India amongst all government and private universities in India. Times Higher Education Impact Ranking 2023 had ranked LPU 2<sup>nd</sup> in India. LPU also has the distinction of being the first private university in India to get ICAR accreditation from Ministry of Agriculture, Govt. of India for its Agriculture programmes.

## ABOUT CONFERENCE

Human Health and Environmental Safety is likely to be centred around fostering discussion, sharing research findings, and exploring advancements in the field of toxicology as it relates to both human health and environmental safety. Providing a platform for researchers, scientists, policymakers, and industry professionals to share their latest findings, methodologies, and best practices in toxicology research. Overall, the conference likely aims to advance scientific understanding, promote evidence-based decision-making, and contribute to the protection of both human health and the environment.

## ABOUT STOX

The Society of Toxicology (STOX) India, was founded in the year 1979 at CSIR-Indian Institute of Toxicology Research, the erstwhile Industrial Toxicology Research Centre, Lucknow to facilitate the exchange of Scientific ideas information, knowledge among scientists, practitioners, professional and policymakers. The society is one of the founder members of International Union of Toxicology.

## ABOUT SBEBS LPU

School of Bioengineering and Biosciences was established at LPU in the year 2006. The school has now created a competitive and research - friendly environment with its infrastructure and facilities. The school has eight domains namely, Biotechnology, Biochemistry, Microbiology, Molecular Biology & Genetic Engineering, Zoology, Botany, Bioinformatics, and Forensic Sciences. The school focuses primarily on the quality of education given to the students and has recruited high competent faculty from diverse educational, industrial and research background.

## AWARDS

- Oral Presentation (Sponsored by STOX: for STOX members only)
- Oral Presentation (Sponsored by SBEBS, LPU)
- Poster Presentation (Sponsored by SBEBS, LPU)

## CALL FOR ABSTRACT & FULL-LENGTH MANUSCRIPTS

The scientific committee of the ICCTT 2024 is delighted to announce the Call for Abstracts for the International Conference on Current Trends in Toxicology and the 43rd Annual Meeting, scheduled to take place in 2024. This prestigious event will gather researchers, practitioners, and scholars from across the globe to discuss and disseminate the latest advancements in toxicology, with a particular focus on human health and environmental safety. Interested scholars, scientist, researchers, faculties, and students may send their research work for the consideration in Oral/Poster Presentation.

\* Full-length manuscript would be invited from accepted abstracts after due review.

\* Send the abstract and full length manuscript to [icctstox.2024@gmail.com](mailto:icctstox.2024@gmail.com)

• Conference Journal Partner: Toxicology International (SCOPUS Indexed)

• Manuscripts should be submitted in English language as Microsoft Word documents (.doc or .docx)

• The complete details of instructions to authors are available at <https://informaticsjournals.com/index.php/toxi/ia>

## SUB THEMES

- Environmental toxicology & toxicology of xenobiotics
- Molecular & cellular toxicology
- Occupational toxicology
- Nanotoxicology
- Food and nutritional toxicology
- Toxicity testing & alternatives
- Chemical toxicology
- Toxicology & physiological systems
- Emerging contaminants and future directions
- Regulatory toxicology
- Forensic toxicology
- Applied biology & toxicology

## IMPORTANT DATES

Last date of abstract submission	20 <sup>th</sup> September, 2024
Paper acceptance	20 <sup>th</sup> -30 <sup>th</sup> September, 2024
Camera ready	5 <sup>th</sup> -12 <sup>th</sup> October, 2024
Registration	30 <sup>th</sup> August - 17 <sup>th</sup> October, 2024
Conference	16 <sup>th</sup> -19 <sup>th</sup> October 2024

## POST CONFERENCE WORKSHOP

(19<sup>th</sup> OCTOBER 2024)

Toxicological studies are essential for assessing the safety and potential risks of chemicals, pharmaceuticals, and environmental pollutants. Models play a crucial role in advancing toxicological studies by fostering collaboration, standardizing methods, and integrating diverse approaches. These models help in developing more accurate and ethical ways to assess the safety of substances, ultimately protecting human health and the environment. The workshop will be organized by Indian Institute of Toxicology Research (IITR) focused on cutting-edge advancements and collaborative efforts in toxicological studies.

## OUTCOMES:

- Comprehensive understanding of toxicological models
- Enhanced laboratory techniques
- Regulatory insight
- Ethical awareness and alternative methods
- Integration of multidisciplinary approaches

## REGISTRATION FEES

Category	Early bird (before 30th Sep 2024)	Late bird (after 30th Sep 2024)
Students (PhD/ PG/UG)	Rs 500/-	Rs 750/-

Registration

- Registration fees include - Kit and Lunch.
- Programme schedule will be shared later.
